

Who we are

The Sustainable Business Council (SBC) is a CEO-led membership organisation with over 120 businesses from all sectors, ambitious for a sustainable New Zealand. Our network gives our members unparalleled influence and empowers them to take large-scale collective action. SBC connects member businesses, partners, and sectors to create impact that no single business could achieve alone.

SBC creates a forum for collaboration that enables organisations to come together to work on common topics. SBC is an important voice out into the business community and government, to make sure that sustainable good practices are staying top of mind.
