

Sponsorship Prospectus 2026

**Climate Change &
Business Conference**
BUILDING MOMENTUM. DRIVING CHANGE.

About the conference

The Climate Change & Business Conference is the longest-running and leading climate change business event in Aotearoa New Zealand. The Environmental Defence Society, the Sustainable Business Council and the Climate Leaders Coalition are again partnering to co-host this important event.

**This year's conference theme is
Building Momentum. Driving Change.**

We are entering the final stretch of the decisive decade to 2030, approaching tipping points that demand renewed momentum. The impacts of climate change are no longer distant forecasts – they are real, and they are here. In Aotearoa New Zealand, extreme weather events provide a stark reminder of our vulnerability and the need for rapid adaptation alongside emissions reduction.

This is a time for renewed resolve. The transition must happen - and we have the tools, talent, and tenacity to shape our role in it. The choices we make now will determine the kind of economy, society and environment we inhabit in 2030, 2040, 2050, and beyond.

Venue: Viaduct Events Centre, Tāmaki Makaurau Auckland

Dates: 7 – 8 September 2026

Key objectives

Showcase thought leadership on local and global best practice and emerging trends.

Challenge and inspire commercial thinking.

Equip the business sector with practical mitigation and adaptation tools.

Assist businesses to understand the risks and opportunities that climate change poses.

Profile actions that are being taken at the nexus of climate and nature – across both mitigation and adaptation.

Sponsorship opportunities

For our sponsors, the Climate Change and Business Conference provides a first-class opportunity for them to be associated with the leading climate change and business conference in this region.

Focused on business leaders and policy makers, the carefully designed programme will provide informed commentary on key challenges, together with practical and relevant business solutions from a range of domestic and international experts, local and central government representatives and business innovators.

If you would like to partner with us, we encourage you to review the sponsorship opportunities and complete the [expression of interest form](#). We are also happy to discuss your individual sponsorship needs.

We will be considering sponsorship expressions of interest in the order they are received, however for some sponsorship levels priority is given to previous CCBC 2025 sponsors.

Please note: All prices are in New Zealand dollars and exclude goods and services tax (GST) of 15%.

Who attends

Whilst the majority of conference delegates represent the business sector, the event also attracts leaders in research and development, academics and scientists, environmental NGOs, key sector umbrella groups, change-makers, policy influencers, local and central government representatives, professional service providers and media.

The 2025 conference resulted in:

- 546 in-person registrations and 84 livestream registrations
- 326 organisations represented and 30 sponsors across a range of tiers and categories
- More than 115 speakers and 36 sessions.

Next Generation Scholarships

Availability: **ONE**

\$10,000 + GST

Recognising that today's youth are our next generation of climate leaders and incorporating feedback from some of our sponsors in support of the wider inclusion of youth at the conference, we're pleased to again offer the Next Generation sponsorship opportunity.

Next Generation will be run as an application process through the CCBC organisers with the Next Generation Sponsor making the final decision on who will receive the registrations.

This sponsorship allows 7 next generation climate leaders to attend the event in person and 1 virtually.

Brand

- First opportunity to secure this sponsorship option for the 2027 event
- Logo on the conference website
- Logo on digital signage at the conference
- Inclusion of your logo on the conference app

Activation Space (Add On)

Availability: **SIX**

\$6,000 + GST

Please note that this package is not available as a stand-alone package and must be purchased in conjunction with another sponsorship option. You can add this option to any Sponsorship Package.

This is an opportunity to showcase what your organisation is doing within the climate and business space.

We encourage you and your organisation to utilise the technical options available for information sharing and will not be allowing any 'giveaways' or takeaway collateral.

A blank space will be provided (approx. 2m x 2m) for you to furnish as you wish. Hire of furniture and AV is additional and must be arranged directly with our conference suppliers **before Friday 31 July 2026**.

Complimentary registration

- 1 complimentary In-Person registration to be based at the Activation Space
- 1 complimentary ticket to the Sponsor Function (Monday 7 September)
